About Us

The Teenline has been part of the Alcohol Drug 24 Hour Help Line since 1989 and serves youth and friends and families of youth in Washington State.

We are a crisis intervention and referral service that can offer some help and support for those who want to talk about either their personal drug/alcohol use or someone else's use.

We can be contacted through e-mail, (just click on the 'E-mail Us' link in the middle of this page) or you can call us at the number above. Our crisis lines are staffed by teen volunteers M-Th from 3-7. If you call at any other time, an adult volunteer will always be available.
