COMMUNITY AWARENESS

CSAP offers a variety of presentations for schools, parents, community organizations, and service providers.

Advocates are available to provide information to your business, youth group, school club, home group, church, support group, and more. Information can be provided on the following topics:

- Recognizing and ending sexual assault
- Consent
- Date Rape Drugs
- Technology Safety
- Healthy Relationships
- How to help

In addition, we can combine any of the listed programs or design new presentations to accommodate any needs. We provide presentations to any group regardless of size.

SPECIALIZED THERAPY

CSAP offers free and confidential therapy by counselors specially trained to work with victims and survivors of sexual assault.

One-on-one and family therapy is available.

All ages, races, sexual orientations, religious affiliations, income levels, and genders are welcome.

Victims and survivors are welcome regardless of when the abuse occurred.
